H01086 ADJUSTABLE WRIST ANCHOR

Secure your hand tools with comfort and confidence using the GRIPPS® Adjustable Wrist Anchor. This versatile wristband, designed to fit all sizes, incorporates a built-in, load-rated tether anchor for attaching hand tools.

Crafted with industrial-grade Velcro, the wristband repels dust, grease, and grime, ensuring a consistently secure grip. The tactical elastic webbing adds durability, protecting against tears and enhancing overall reliability.
