## H01069 COIL TETHER DUAL-ACTION - 2.3KG/5LB

*Suitable for heavier hand tools, the GRIPPS® Coil Tether Dual-Action combines the low profile of the GRIPPS® coil tether range with a heavier load rating.*

Equipped with lightweight single-action carabiners affixed to swivel heads, it minimises tangling and undue strain during tool usage.

Featuring an extra-thick PU coating over stainless steel coil, it guards against kinking and withstands heat and sharp edges with resilience.

## KEY FEATURES

Minimal free-hanging length reduces the possibility of getting snagged when in use.

Heat and cut resistant.

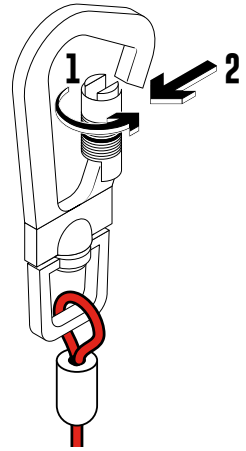

Low profile and lightweight design.

Extra thick PU-coated stainless steel coil.

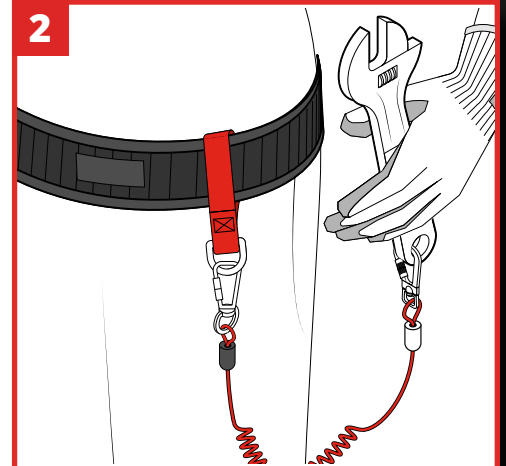

Two lightweight dual-action carabiners.

1

Open or close the carabiner as required.

2

Attach tether to a desired anchor point such as holster D-ring.
