## H01127 GEAR KEEPER RETRACTABLE TOOL TETHER WITH LOCK - 1.13KG/2.5LB

*The Gear Keeper Retractable Tool Tether With Lock features a stainless steel carabiner that securely attaches to your tool belt or fall-protection harness, providing reliable security for your tools.*

This ANSI/ISEA 121-2023-compliant tether provides an optimal 60-inch extension and a reliable 1.13kg/2.5lb load capacity.

Designed with premium nylon webbing and integrated elastic, this tether minimizes entanglement risks while providing impact absorption for added safety. The low 7-oz retraction force ensures comfortable use throughout extended work periods without causing user strain.
