H02077 RETRACTABLE DUAL TOOL HOLSTER (COMBO RETRACTORS)

The GRIPPS® Retractable Dual Tool Holster (Combo Retractors) is both lightweight and rugged with plenty of convenience. Providing two storage pouches, this holster is perfect for small hand tools. This holster includes a GRIPPS® Dual Tool Holster, a GRIPPS® Steel Cable Retractor Unit and a GRIPPS® Kevlar Retractor with Auto-Stop functionality.

The included GRIPPS® Kevlar Cable Retractor Unit With Auto-Stop allows free use of a tool, with a locking function preventing retraction of the Kevlar cable.
