

Cresto, Tool Bucket

Tool bag

- Unique OnePull opening and closing
- Water resistant material
- Tool lanyard connections

Product description

The CRESTO Tool Bucket is tailored for effortless and secure hoisting of materials up to 20 kg during elevated work. Featuring the innovative OnePull Locking System, it enables quick and secure one-handed operation, making it an essential choice for those working at heights where preventing dropped tools is critical. It also includes tool lanyard anchor points, its cylindrical shape accommodates medium-sized objects. It also includes a loop system with five fastening loops on the outside to connect tool lanyards, along with carabiners on the front of the bag. Crafted from water-resistant materials and featuring a convenient exterior pocket for storing essentials.
