

# GRIPPS®

## H06012 GAP WRAP 36"

***GRIPPS® Gap Wrap provides a swift and easy means for covering difficult floor penetration areas and its easily re-used from job to job. The mesh of the GRIPPS® Gap Wrap 24" encases pipes from 2" to 36" (50mm to 914mm) in diameter and uses heavy-duty Velcro strips to tighten the opening to tubes.***

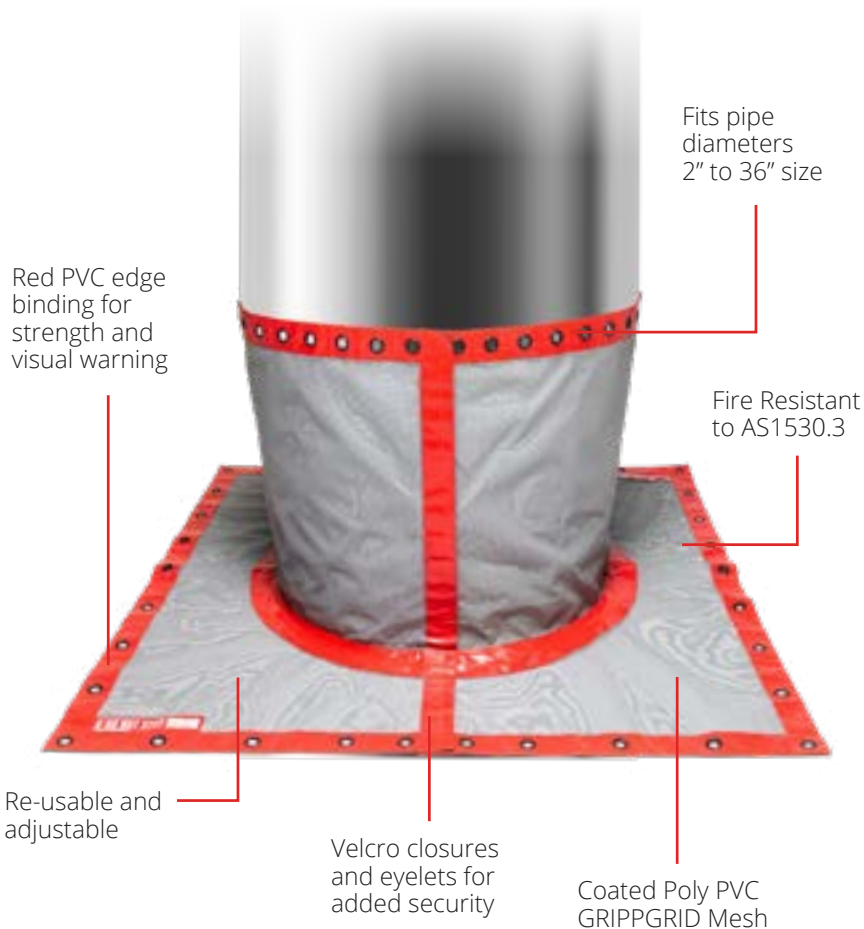

Eliminate the need for labour-intensive custom cutting of chipboard sheets for your encapsulation projects. Save both time and money by opting for GRIPPS® Gap Wrap - an innovative solution that creates a robust physical barrier, safeguarding against potential hazards by preventing openings and dropped objects. Enhance safety for workers and bystanders beneath the work area with this efficient and cost effective alternative.
